Dear Family and Friends,  
We enjoy your cards with the latest news.  
The ones with pictures are a special treat!

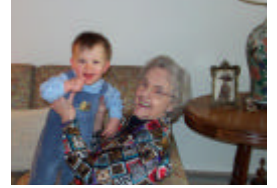

Last Christmas was a small one with Ted joining us from Texas to celebrate with Barry and Anne and her mother, Carol Borchelt.

Barry works for Pelikan Technologies. We enjoyed snowmobiling during the company trip to Tahoe.

Anne's nephew Kent and family came for a visit. It was fun for Great Grandma Carol to get to know little Jack.

Anne was registrar, did folders, a talk and table leader at Saint Andrew's Episcopal Church's 20th Discovery Weekend.

We went to Peoria for a visit with Barry's family. Such a special treat to get together with the Briggs cousins!

On a side trip from Peoria to Lake Mills, Wisconsin, to visit Barry's sister, Karen and family, we had fun out on their boat.

We were home for Thanksgiving with Anne's sister, Carol Sayles, Jon Briggs and Anne's mother, Carol Borchelt, joining us for the meal plus Charles Sayles who is not pictured..
